Questions for interviews

- Which semester are you in?
- Are you able to grasp concepts quickly in class?
- Are you comfortable asking your teacher doubts?
- Are you willing to teach your juniors/peers?
- Do you find that your professors are often busy after class hours?

INTERVIEW
2

Rohan Subramanian

- 5th Semester
- Often requires a second reading after class
- Is an introvert and doesn't feel comfortable approaching faculty
- He's very busy and his free time doesn't match with the professor

Shweta Nair

- 7th Semester
- Quick learner, great intuition
- Seldom approaches professor, but makes full use of the opportunity when she does
- Willing to teach anyone.
Thinks it helps gain a different perspective
- Finds that some professors are often busy with their own research and work.
